**GOLDSCHMIDT VINEYARD
Game Ranch
CABERNET SAUVIGNON
(OAKVILLE)**

Smells of the outdoors, and in a blind tasting, we would probably not have guessed it hailed from Napa Valley. Picked at 24.5 Brix, it's hardly surprising: There is a sweetness on the nose and palate—blackberries, dates and figs, but also a tobacco-spiced olive scent. While the tannins first appeared as tightly-wound, the walnut-espresso dryness quickly opened up to reveal a rounder body, showing classic Napa Valley traits. AUGUST 2017
