NICK GOLDSCHMIDT SELECTIONS  
GOLDMARK WINE CLUB

www.goldmarkwines.com

As the winemaker for Goldmark wines I see an opportunity for you to join with me in the seeking out of the next evolution of wine. Yes from the Alexander Valley and Napa Valley but also from appellations that you will not have heard of. Have fun with it, give feed back and realize that you don't just have to buy the same old wines that you have available in stores around you.
