2022
Cabernet Sauvignon
Stonemason Hill
Alexander Valley**

About the Wine:

Made in tandem by Nick and his middle daughter, Katherine, this very popular Cabernet Sauvignon has become a close family tradition over the years.

Tasting Notes:

The 2022 vintage shows more black fruits as its base. Black cherry, boysenberry and black fig aromas jump out of the glass. The mouth is very smooth, with rich silky tannins that go on forever. Dark fruit flavors and beautiful structure make it a lovely wine for food pairing. This wine complements grilled or roasted dishes, such as herb-crusted lamb, roasted duck or grilled pork loin.
