## Goldschmidt Vineyards Yoeman

Alexander Valley  
2016 Cabernet Sauvignon

Density and richness are the major attributes of this wine—“power and glory” is what winemaker Nick Goldschmidt says the Yoeman Vineyard gives to his Cab. It is indeed a mouthful of red and black fruit, but not overripe and with all the secondary characteristics one expects in fine Cabernet Sauvignon: cedar, dried herbs, tobacco leaf, and sandalwood. It’s intense and complex.

## Fidelity

Alexander Valley  
2018 Red Wine

**VALUE:** Merlot (77%) is joined by Cabernet Sauvignon (13%) and Petit Verdot (10%) in this supple, everyday-drinking Bordeaux-style red that punches above its weight and features floral aromas and a juicy palate of blackberry, plum, dark cherry, espresso, and chocolate.
