

Goldschmidt Vineyards

Yoeman Cabernet Sauvignon 2019

VINEYARD NOTES

Yoeman is a small mountain vineyard just south of Geyserville. Terraced slopes facing southeast are comprised of well-draining, glacial loam soils. Soft morning sun promotes slower grape maturation and longer hang times. Two very old field selections allow for more diversity in the clusters. Upon achieving full ripeness, the berries may vary in size, acidity, and flavor profile with red fruit flavors in one cluster and black fruit characteristics in the others. Low input, very low yields. Rarely do vineyard conditions afford a winemaker the opportunity to make Cabernet such as this. With the multi-layered & pronounced “grip” we push the stylistic boundary and perception of fine Alexander Valley Cab Sauv.

VINTAGE NOTES

2019 will always be remembered by the floods in March and the fires in October. Amazingly, neither event affected the quality of the vintage. Although different to 2017 and 2018, the quality is truly outstanding yet again. A cool start, a warm ripening season and then a beautifully paced picking schedule. This allowed a smoothly paced vintage with all wines receiving 100% complete focus with no rush.

TASTING NOTES

The 2019 vintage hits all the right notes thanks to a stunning ripening year. Not as hot as 2018 or 2020, the wine is more elegant as a result. The warmer years bring more black fruit, but in 2019 we are back to the blueberry, red cherry and hints of dark plum. The palate is inviting and well-balanced, exuding flavors of blueberries, blackberry, with a deep mocha finish. This wine in such a great vintage, will age beautifully for many years.

VINTAGE

2019

VARIETAL

100% Cabernet Sauvignon

APPELLATION

Alexander Valley

VINEYARD / ELEVATION

Yoeman / 282' – 325'

SOILS

Gravelly Loam

VINES / ROOTSTOCK / CLONE
