BUYING GUIDE

95 points

95 **Goldschmidt 2019 Yoeman Cabernet Sauvignon (Alexander Valley).** Concentrated but polished, deep but silky, this quietly powerful wine integrates velvety tannins and gorgeous black-fruit flavors. Made from old vines on a three-acre plot, the wine offers an inviting blend of black cherries and black currant, spearmint, cedar and dark chocolate that are delicious now, but will gain complexity and expand with time. Best from 2030–2045. **Editors' Choice.** —J.G.
