Goldschmidt Vineyards

FAMILY OF WINES

Nick Goldschmidt is an internationally acclaimed winemaker whose passion is to make the best single varietal wines from the best vineyards across the globe. He is passionate about leaving the earth in better condition than he found it through regenerative farming. Born and raised in New Zealand, Nick, his wife Yolyn and their five adult children now call California their home. In 1990, they settled down in Healdsburg, CA where Nick was named the winemaker for Simi Winery. He went on to manage the world-wide winemaking for Allied Domecq and Beam Wine Estates before deciding to go out on his own in 2008 with Goldschmidt Vineyards. Thank you for supporting our family business, where we are always up for an adventure!
