GOLDSCHMIDT
SINGING TREE

VINEYARD NOTES

The rolling hills and western slopes of Sonoma County were once home to orchards filled with songbirds; hence the name 'Singing Tree.' By the early 1990's though, most of the orchards were replanted with vineyards. Quality wine is made by matching the plant material and rootstock to the right vineyard site. This yields the most flavorful grapes. These grapes grow only under certain optimum soil conditions: nutrient balance, certain clay soils and fine-grained marine quartz sandstone, all of which are found at the Wilson Grove Formation, where Singing Tree is located.

VINTAGE NOTES

The 2025 growing season was marked by abundant winter rainfall, a warm and consistent spring, and the absence of extreme summer heat. Cool, foggy conditions through July and a moderate August allowed for a long, even ripening period that preserved natural acidity while promoting excellent flavor.

TASTING NOTES

Deep violet in color, with vibrant aromas of strawberry, raspberry, red fruit compote, and the signature dried-flower notes of the Singing Tree Vineyard. Grown on the well-drained hillsides above Westside Road, it showcases bright acidity, a distinctive mineral streak, and layers of fresh red fruit with remarkable elegance and tension. A benchmark Russian River Valley Pinot Noir with both finesse and quiet power.

VINTAGE
2025

VARIETAL
100% Pinot Noir

APPELLATION
Russian River Valley

HARVEST DATE
September 2024

HARVEST YIELD
2.5 tones per acre

ALCOHOL / TA / pH
13.9% / 5.06 / 3.45

FERMENTATION
Top tank ferment with 9 days on skins

VINIFICATION & AGING
100% French Oak, 20% New, 8 months

CASES PRODUCED
650 12-PACKS

WINEMAKER
Nick Goldschmidt
